A huge Thanks to everyone who attended the 12th Annual Snowmobile Show held January 23rd at Stone Toad Bar & Grill. There were 95 registered sleds with over 100 sleds on display, & many proud award winners. Thank you to the many that brought trail iron to show (in the not so great weather). There were a few quirky looking sleds and one look makes it clear that that some proudly proclaim our motto: We're Not Cheap, Just Low Buck!

Many thanks to the show sponsors and all the helpers and volunteers who made the show a success!

The Appleton Post Crescent newspaper featured some of the sleds from the Vintage show in the January 24 edition Check it out at: <http://bit.ly/5pzRqG>
